# CIO Digital Task Force

[OBJECTIVE]
Embed **Free Agents** within teams to collaborate on a **mission**, upskill our workforce, and help change the way we work.

[FREE AGENTS] Uniquely skilled public servants that can move freely around the organization as needed.

[MISSIONS] Specific and well scoped challenges tackled in a set time period, in partnership with existing teams.

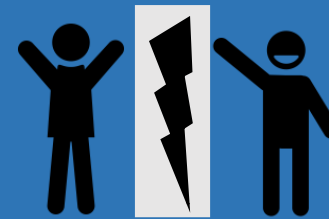

Crowdsource a list of challenges | Discover cause & potential mission | Collaborate on a partnership agreement | Do the thing together, in iterations | Share what we've done | Evaluate the Mission, extend OR move on

[OUR VALUES]
- Use Agile/DevOps principles
- Work in the open
- Focus on the user
- Learn from failure

[SUCCESS FACTORS]
- Recruitment & flexible HR
- Clear Partnership Agreements
- Aim for no hand-offs
- Constant collaboration
